Welcome to the Recreational Therapy Program! Everyone Starts Here!

Welcome to the Recreational Therapy Program!

Apply for the Combined 4 (BS) +1 (MS) Recreational Therapy Program

For more information about applying to the BS/MS Combined Degree (4+1) RT Track, contact Ms. Tania Santiago-Perez at tsantiag@fiu.edu

For information on Pre-Recreational Therapy internships, and Recreational Therapy internships contact Ms. Lauren Ortega at lalfonso@fiu.edu

Option 1: Pre-Recreational Therapy Program

Option 2: If you have at least a 3.2 GPA and want to become a CTRS

Complete 75 Course Credits

Graduate with your B.S. degree and continue full-time for two more semesters and receive a MASTER’S DEGREE IN RECREATIONAL THERAPY
*Students must sit for the NCTRC Exam
* All graduate courses are offered online

As a B.S. degree seeking student, you complete 3 graduate level M.S. degree courses online
*All RT students must complete LEI 4941: Internship II at an approved clinical or community based site

For your consideration:
- You are permitted to take 18 advised electives, which can include a minor
- You will not be eligible to sit for the NCTRC exam to become a CTRS
- You are not required to take LEI 4941: Internship II

Go to www.nctrc.org to learn more.

NCTRC = National Council for Therapeutic Recreation Certification
CTRS = Certified Therapeutic Recreation Specialist
